#1.1 Admission requirements

We are really happy that you applied to study at ArtEZ and choose our university to develop your talent and passion. To guarantee the high quality of our education, our courses are not open for everyone. To fulfil the admission procedure, you have to take the following steps:

Admission to the course of your choice

Each ArtEZ course has its own procedure to decide whether your artistic talent meets the criteria as set forth by the department. You might have to do an audition, show your portfolio, go through an interview or a combination of these. Check our website for the admission criteria of each course. You can also contact the departments themselves for more information regarding your admission procedure.

More information: www.artez.nl/en/course

Previous education

- To be eligible for a study in higher professional education (in Dutch: hbo) you are required to have successfully completed your training in senior general secondary education (havo), pre-university education (vwo) or senior secondary vocational education level 4 (mbo-4) or the equivalent.
- For a master's programme the minimum requirement is a completed bachelor's programme or the equivalent.

Please send us a copy of your diploma and a list of your grades no later than 31 May. If your diploma is not in the Dutch, English or German language, then you must supply us with a certified translation in Dutch or English.

Language requirements

You will need to prove your language proficiency by handing in a certificate stating your level no later than 31 May.

Find out what level is required for your study programme by visiting the [ArtEZ website](#).

Important: organise your language certificate as soon as possible as it can take a long time to obtain one!

For some study programmes, your language proficiency will be assessed during your admission.

Please review the [Diploma List](#) to see if you are exempted from handing in a language proficiency certificate.

If you apply for a study programme for which Dutch is the main language of instruction, we strongly advise you to take a course in your home country. To find Dutch courses in your home country, you can contact the Dutch embassy.

Payment of tuition fees

Payment of tuition fees on time is compulsory for enrolment at ArtEZ. You can read more about this in section #1.3 (Finances) of this brochure.

ArtEZ can enrol you once we have received the following:

- tuition fee payment (included in the financial guarantee, see #1.3)
- diploma & transcripts of previous education
- language certificate
- passport

To apply for your residence permit (see section #1.2 Visa and permits) we first need to enrol you at ArtEZ. Therefore you must hand in all documents no later than 31 May. If you're not able to meet this deadline, please contact the [Student Affairs department](#).

#1.2 Visa and permit

If you are a student with a non-EU / non-EEA (European Economic Area) nationality*, you will need a residence permit to study in the Netherlands. In this section you can find out which visa you need and what documents you should provide. Depending on your nationality, you will either need a residence permit (vvr) or an entry visa (mvv) + a residence permit. The residence permit is valid for the duration of your studies.

ArtEZ Student Affairs will apply for your visa and / or residence permit. It is not possible to apply for these documents yourself.

The Dutch government has a website for all foreigners to check whether they need an entry visa and/or a residence permit. Go to www.netherlandsandyou.nl and do the check!

Visa procedures take time. The overall procedure (from sending your documents to picking up the residence permit after arrival in the Netherlands) can take up to three months. We urge you to start preparing your documents as soon as you are accepted. Please send us all your documents no later than 31 May.

The residence permit is valid for the duration of your study programme, **provided that you obtain 50% of your study credits and have enough financial means every year**. We check this every year. Once you have a residence permit you are free to travel from Holland to any other Schengen country for a maximum of 90 days within a 180-days period.

*) When we talk about 'non-EU students', we officially mean 'non-EEA students'. The EEA includes EU countries and also Iceland, Liechtenstein and Norway.

Visa costs

The [visa fee](#) for the year 2020 is € 174. This amount must be transferred directly to ArtEZ. Payment procedure and banking details are mentioned in section #1.3 Finances.

IND income requirement

In order to issue a visa the Dutch Immigration and Naturalisation Service (IND) requires proof that non-EU students can support themselves financially in the Netherlands. For the academic year 2020-2021 the income requirement is € 10,770.

ArtEZ University of the Arts

Information for non-EU students

This income requirement is not a fee. ArtEZ will transfer the money back to your Dutch or SEPA (eurozone) bank account once the visa procedure is completed.

More information can be found in [this brochure](#) by the IND.

To enable ArtEZ to apply for your visa and permit, please follow the steps on the next page.

What to do to get your visa and permit?

Step 1

All non-EU students in need of an entry visa and / or a residence permit have to pay their financial guarantee (see section #1.2 Finances) and upload, after our request, the following documents no later than 31 May:

- a copy of all pages of your passport
- the filled out and signed [Appendix Antecedents Certificate](#)
- the filled out and signed [Declaration of Intent to undergo a TB test upon arrival in the Netherlands](#) (see #2.5 in this brochure to find out if you have to take this test)
- [Nuffic Certificate](#) for Chinese Students only

We will send you a confirmation when we received your documents. We will check them on completeness. When there are missing documents we will send you a notification.

When the set of documents we received is complete and the financial guarantee is received, we will make the demand for your residence permit at the IND.

Step 2

For students needing an entry visa AND residence permit: once you have completed step 1, we will let you know that you can make an appointment with the embassy / consulate in your home country to have your fingerprints and photo taken.

Bring these documents to your appointment:

- passport (valid for at least 6 months)
- mvv form (download from the website of the Dutch embassy / consulate)
- passport photo (which meets the requirements of the Dutch immigration law. Contact the Dutch embassy / consulate for more information)

Your embassy / consulate will let you know when your entry visa is ready to be collected. This roughly takes another two weeks.

Please note: it is only after receiving your entry visa that you can fly to the Netherlands. Do **not** book any flight tickets until you have received your entry visa.

Students that only need a residence permit

You are free to travel to the Netherlands as long as you do not exceed the 90-day validity of your tourist visa. After arriving in the Netherlands you must go to an

IND Desk as soon as possible to have a passport photo made, your fingerprints taken and to record your signature.

#1.3 Finances

Tuition fees

For new students in the 2020-2021 academic year, the institutional tuition fee for all Bachelor programmes and Associate Degree programmes is € 9,700.

For all Master programmes the institutional fee is € 10,700.

This amount is higher than the tuition fees Dutch and European students have to pay. This is because all higher education institutes in the Netherlands receive funding from the national government for EU students only. Tuition fees for non-EU students are based on the actual costs of the education.

If you want to be sure what the tuition fees will be in your situation, use the [tuition fee calculator](#) on our website.

Financial guarantee

If you need a residence permit as a non-EU student, you have to transfer what we call a financial guarantee. It consists of:

1. income requirement IND
2. visa fees
3. insurance fees ([#1.6 Insurance](#))
4. tuition fees

	I want do a Bachelor or an Ad course	I want to do a Master course
income requirement 2020-2021	€ 10,770	€ 10,770
visa fees 2020-2021	€ 174 (*)	€ 174 (*)
insurance fees 2020-2021	€ 472	€ 472
tuition fees non-EU Students 2020-2021	€ 9,700 (**)	€ 10,700 (**)
Total financial guarantee	€ 21,116	€ 22,116

(*) Except for students from San Marino or with Israeli nationality – you are exempted from paying visa fees.

(**) Except for students that also have an EU/EER nationality and for students with a Swiss or Surinamese nationality – your tuition fees are € 2,143 for 2020-2021.

How to pay your financial guarantee

You will have to transfer the financial guarantee to our ArtEZ bank account. As soon as we receive the total amount of the financial guarantee and you have fulfilled all the admission requirements, we will apply for your entry visa and / or residence permit. Please make sure the financial guarantee is transferred as soon as possible.

Important to note:

- All money transfer costs have to be paid on top of the requested amount and are thus at your own expense.
- If you have been awarded an ArtEZ Scholarship (#1.4), this scholarship can be deducted from your tuition fees.
- ArtEZ does not accept bank statements as proof of meeting the income requirement of the IND. The only way to meet this requirement is to transfer the total amount of the financial guarantee to ArtEZ. Bank statements don't guarantee that you actually have access to the money in the Netherlands. Moreover, if you don't transfer the money to the Netherlands, a depreciation of exchange rates can cause serious problems during your studies. This is also why ArtEZ transfers the remainder of your financial guarantee to your Dutch bank account after your arrival.

#1.4 Scholarships

ArtEZ Scholarship

ArtEZ annually provides a limited number of [scholarships](#) for new students from countries other than those of the European Economic Area. This only applies to students who fulfil particular artistic conditions. This means that you may apply for a scholarship if you have a rare or exceptional artistic talent.

You can find the application criteria and the application form [here](#).

If you are awarded the scholarship, you will receive € 5,000 per year for the duration of your studies.

Deadline: 1 May 2020

Holland Scholarship

This [scholarship](#) is financed by the Dutch Ministry of Education, Culture and Science together with Dutch research universities and universities of applied sciences. The scholarship amounts to € 5,000. You will receive this in the first year of your study.

You can find the application criteria and the application form [here](#).

Deadline: 1 May 2020

#1.5 Housing

In Holland, students usually do not live on campus but have their own accommodation. Therefore ArtEZ does not have its own student dormitories and cannot provide accommodation for students. We advise you to start your orientation on housing before coming to the Netherlands, because finding good, affordable accommodation can be difficult in Arnhem, Zwolle and Enschede.

A few facts on housing in the Netherlands:

- The rooms may be quite small (15-24 m²) in comparison to what you are used to. It is common for men and women to live together in a shared house.
- You might have to share facilities (shower, toilet, kitchen, living room). Most rental contracts run for at least six months or a year.
- An average room in the Netherlands costs € 300-600 per month.

Here are a few housing websites:

- [SSH&](#) (Arnhem & Nijmegen)
- [DUWO](#)
- [Erasmusu](#)
- [Kamernet](#)
- [Nestpick](#)
- [Pararius](#)

You can find more information on housing at: www.studyinholland.nl/practical-matters/housing

DUTCH CULTURE

Dutch culture is very informal and people mostly use their first names when introducing themselves. When friends get together they greet the girls with 3 kisses starting on the right side. Men mostly just shake hands instead with a friend of the same gender. In general Dutch people are really easy going, but still keep in mind to be on time when you have an appointment. Normally Dutch people show up a couple of minutes before their appointment in order to make sure that they are on time. Dutch people in general are open-minded, freedom loving and very tolerant towards foreigners. A Dutchman might seem a bit close-mouthed, but as soon as you get to know him a bit better, he can turn to a very loyal friend. (source: www.studyinholland.nl).

#1.6 Insurance

The Netherlands have excellent health care, but medical expenses can be very high without proper insurance. That's why everyone living or staying in the Netherlands is **obliged** by Dutch law to have a healthcare insurance. Being uninsured means you'll risk a huge fine.

Therefore, non-European students at ArtEZ will receive AON student insurance coverage for the 1st year (or a shorter period, if you are staying for less than a year). The fee for your insurance is included in your financial guarantee. You are responsible for renewing and paying the coverage after the expiration date.

The AON student insurance 'ICS Complete' is an insurance package for international students. It covers medical costs (urgent dental help included), repatriation, liability, home contents and baggage, accidents and legal aid. Costs are € 39,30 a month. Please check the [AON website](#) for more detailed information.

Important to note

- The AON health coverage does not include pre-existing conditions. This means that any existing medical problem you have before coming to ArtEZ will not be insured in the Netherlands. The only way to get a pre-existing condition covered, is to take out a public Dutch basic healthcare insurance. However, this insurance is only accessible for international students who have a (part-time) job or a paid internship and is a lot more expensive.
If you have any doubts about pre-existing conditions, please contact the [Student Affairs department](#). We can contact AON for you to check the coverage in advance.
- If you get a (part-time) job or a paid internship, your AON student insurance is no longer valid. A paid internship is regarded as a job if it pays [the Dutch minimum wage](#) or more. You will have to switch to Dutch basic healthcare insurance. AON will refund the overpaid fee.
- If you have to switch to Dutch basic healthcare insurance, you might be entitled to a contribution towards the costs by the Dutch Tax Office (Belastingdienst). This is called a **healthcare benefit** (zorgtoeslag). This benefit makes the expensive basic healthcare insurance a lot more affordable. Unfortunately, the application website is only in Dutch. English information is available on the [Belastingdienst website](#). The Student Affairs department can help you with your application.

Home country insurance

In some countries, insurance policies might cover healthcare in the Netherlands. If you wish to stay insured in your home country, it is important to check the conditions with your insurance company. If your insurance company offers adequate coverage, it can provide you with an international declaration form (written in a common European language). Make sure to bring this with you, as you will need it when you go to see a doctor.

Even if medical costs are covered by your home country insurance, we strongly recommend you to apply for an additional student package with our insurance partner AON. This package covers extra medical costs, liability, home contents and baggage, accidents and legal aid.

Further information

The website studyinholland.nl gives you useful information about insurances in the Netherlands in general and has a helpful checklist. Please contact the [Student Affairs department](#) if you have any questions about medical insurance.

#2 UPON ARRIVAL

[#2.1 Introduction activities](#)

[#2.2 Registration at the municipality](#)

[#2.3 Dutch bank account](#)

[#2.4 Residence permit](#)

[#2.5 Tuberculosis test](#)

[#2.6 Public transport](#)

[#2.7 Working in the Netherlands](#)

#2.1 Introduction activities

Due to the corona crisis, the dates mentioned below, are changed. You will receive up-to-date information via email.

To give all the new Bachelor students a warm welcome at ArtEZ, there is an introduction period just before the beginning of the academic year. Each ArtEZ location organises its own introduction programme. We strongly advise you to join this, as it is the best way to get to know ArtEZ and make friends in your new home town! The introduction period will take place in **week 35 (24 - 29 August)**. You will receive an invitation for the introduction days by e-mail.

For **international students in Arnhem**, there will be a special welcome programme on **Thursday, 20 August and Friday, 21 August**. In **Zwolle**, this special welcome programme will be on **Friday, 21 August**. During this welcome programme you'll get information about practical issues like opening a bank account, registration at the municipality and the Dutch healthcare system. But there will also be time to get to know other international students and have fun together. Senior internationals will show you around and share their experiences with you. You will receive an invitation for the welcome meeting by e-mail. Don't miss it!

Internationals from **Enschede** will receive all the practical information during the regular introduction period (**24 - 29 August**).

#2.2 Registration at the municipality

Within a few days after signing your rental contract you must register yourself as a new resident of the town where you are living. This is done at the city hall. After registration, you receive a tax- and social security number (in Dutch: BSN = burgerservicenummer).

For students who live in Arnhem, registration can be done at school. Employees of the municipality of Arnhem will come to ArtEZ in September. The exact dates and time schedule will be announced in August. All Arnhem students will receive an invitation to make an appointment for registration. You can also make an appointment yourself on the municipal website. In that case, registration will take place at the city hall.

If you don't live in Arnhem, you have to go to the city hall of your home town. Check the municipality website to make an appointment. There you will find which documents you need to hand in.

Important note: In most cities you have to bring a valid passport, your rental contract and your birth certificate (translated in English, German, French or Dutch).

Also bring your residence permit or the IND letter stating that you are in the process of getting a residence permit.

More information:

[Arnhem](#)

[Zwolle](#)

[Enschede](#)

Unfortunately the website of your town may not be entirely in English. You can ask a fellow classmate to help you make an (online) appointment at the city hall or walk by our ArtEZ Service Point so we can help you.

#2.3 Dutch bank account

You must open a Dutch bank account. ArtEZ will return the remainder of your financial guarantee to your Dutch account. And it also makes it easier to pay for things such as food, transport, living, utilities, rent, phone, Internet etc.

There are three main banks in the Netherlands: ABN AMRO, Rabobank and ING. All Dutch banks offer Internet banking. The additional use of the iDEAL payment system also makes it very easy to purchase goods online.

Bank account via ArtEZ

ArtEZ has arrangements with ABN AMRO, which means we can arrange an account at this bank for you. Here is how it works:

1. We need your permission to arrange your bank account. Then we will provide a copy of your passport to the ABN AMRO bank. You can give your permission while filling in the application form for your visa and/or residence permit.
2. The bank prepares your account ([‘EasyPay Standard’](#)) and uses the ArtEZ address as your home address.
3. As soon as you are in the Netherlands, we arrange an appointment at the bank for you (in Arnhem, Enschede or Zwolle) to sign the necessary documents.
4. The bank account will be active a few days later.
5. About one week later, your bank card and log-in codes for digital banking will be available at ArtEZ.
6. After you have collected your bank card and log in code at the Student Affairs desk, ArtEZ will transfer the remainder of your financial guarantee to your bank account.
7. As soon as you have a home address in the Netherlands, you must change the ArtEZ address to your own address via the bank’s website.

The [ABN AMRO website](#) gives you more information about costs and possibilities of the bank account.

‘Do it yourself’ option

You can also choose to arrange your own bank account. The main banks have very similar application procedures for foreign students. Usually the required documents are a proof of enrolment at ArtEZ, a proof of residence and a social security number (see section #2.2). We advise you to check the exact requirements on the bank’s website. You should provide the Student Affairs department with your bank account number as soon as you have it.

#2.4 Residence permit

Students with entry visa

If you have arrived in the Netherlands with an entry visa, Student Affairs will keep you informed about where and when you can pick up your residence permit. You have to go to an IND desk and make an appointment online (see below).

Students in Arnhem can also pick up their residence permit in Arnhem at HAN University, but only on a fixed date in September. This will save you a trip to the IND desk in Den Bosch; Student Affairs will keep you informed about this option.

Students without entry visa

If you came to the Netherlands without an entry visa but do need a residence permit, you have to go to an IND desk within 2 weeks after arriving in the Netherlands to provide your biometric information. You have to make an appointment for this on the IND website (see below). You need a second appointment to pick up your residence permit (about two weeks later).

Students in Arnhem can also provide their biometric information to the IND in Arnhem at HAN University, but only on a fixed date in September. Two weeks later, you can pick up your residence permit at HAN University as well. This will save you two trips to the IND desk in Den Bosch; Student Affairs will keep you informed about this option.

How to make an appointment at the IND

1. Go to www.ind.nl (English version available)
2. Click 'make appointment online'
3. Choose 'biometric information' OR 'collecting your residence document'
4. Read the information and click 'make appointment'
5. Select an IND desk. For biometric information, you can choose a desk in any city. To pick up your residence permit, you have to go to the city ArtEZ tells you to go.
6. Select date and time
7. Fill in the form with your contact details
8. Confirm appointment
9. Keep the confirmation e-mail and bring it to your appointment

What to bring to the IND

- Passport
- IND letter you receive from Student Affairs
- Confirmation e-mail with appointment code

#2.5 Tuberculosis test

In order to obtain a residence permit, some students must undergo a tuberculosis (TB) test and - if necessary - treatment. The obligation to undergo a TB test does not apply if you are from one of the countries [in this form](#).

Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

To do the test, you go to the local hospital or the Municipal Health Services (GGD), where a chest X-ray is taken. It only takes a few minutes. ArtEZ Student Affairs will make this appointment for you and will inform you about the exact date, time and place. The hospital will inform the IND that you did the test.

#2.6 Public transport

A typical Dutch form of transport is... a bicycle. You have never seen more bicycles anywhere else... We recommend buying a second hand bike once you have arrived in the Netherlands. A useful website for buying a second hand bike could be: www.marktplaats.nl (the Dutch version of Ebay). Also most towns have a group on Facebook where you can exchange or buy cheap second hand stuff.

Instead of buying a bike, you can rent one as well. The company [Swapfiets](#) offers a special long term bike rental service for students in Arnhem, Zwolle, Enschede and a lot of other Dutch cities. You pay a monthly fee for a bike, and if it is broken you can easily swap it for a working bike without extra costs.

For longer distances you can use public transport such as bus and train. The Dutch public transport infrastructure can take you almost anywhere in the country. Most Dutchies own a so called OV-chip card. You can use this card for all forms of public transport. You can find more information [here](#). You can buy an OV-chip card from any NS (Nederlandse Spoorwegen = Dutch Railways) ticket machine or service counter as well as in most supermarkets and bookstores (Primera, AKO, Bruna).

Please note: The Dutch Railways offer various [discount options](#). You need a personal OV-chip card for it, which is only available if you have a Dutch bank account.

More information about the Dutch Railways: www.ns.nl/en.

#2.7 Working in the Netherlands

As an international student in the Netherlands, you may want to work alongside your studies. If so, there are some restrictions you will need to take into account.

More information on working while studying can be found [here](#).

If you want to work in the Netherlands, **it changes your insurance situation!** You are legally obliged to take out Dutch basic health insurance. **If you do not meet this requirement you risk a huge fine!**

Come and see us at Student Affairs if you need a Dutch insurance.

More information on healthcare insurance can be found [here](#).

#3.3 International Student Circle

The International Student Circle (ISC) of ArtEZ runs as a platform/community for students to exchange information and expertise, get known and connected with each other, and more importantly, share and create possibilities for your study and practices internally and externally via events/activities collaborated by ISC and partners.

In ISC, 'International Student' does not refer to 'foreign student', ISC defines 'International Student' as students with international perspectives. So, we welcome all ArtEZ students, no matter foreign or local!

Vision

- We value international students' diversity.
- We diversify international students' value.
